

APRIL 29, 2017 STUTTER-STEP 5K RUN/WALK

Thank you for taking the time to consider sponsoring the 2nd Annual Stutter-Step 5K Run/Walk. The race will be held Saturday, April 29, 2017 at McNamara Park in Galena, Ohio.

FRIENDS is the only national non-profit organization dedicated solely to empowering young people who stutter and their families. Our mission is to provide support and education to people who stutter, their families, and the clinicians who work with them.

This is our second 5K Walk/Run to raise money for **FRIENDS**. All profits are used for scholarships for families, grad students and PhD. students. In 2016, our first 5K Walk/Run raised \$11,000 which helped many families and students attend the annual convention and one-day conferences. We have sponsorship opportunities ranging from \$50 to \$500. We welcome in-kind donations; however, in-kind donations may only represent 50% of the total sponsorship level.

If you have questions, please feel free to give us a call at 614-561-1402 or email Ruth McDermott at ruth@friendswhostutter.org

Thanks much!

THE STUTTER-STEP 5K TEAM
